Disposal of the old musafirkhana at Davanyere Chittaldrug District

From

The President of the District Board, Chittaldrug.

No. 586 Dated 4.3.1908 Received 9.3.08

Diary No. 6503	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Solicit sanction to sell by public ... the existing old musafirkhana at Davanyere as the building is not worth repairing and to build a suitable building on a site opposite.

NOTES AND ORDERS.

It is proposed to sell the building together with the site on which it stands. Being in the vicinity of the railway line the site is likely to fetch a good price. It is proposed to abandon the present site ~~and~~ as it is found inconvenient for

Notes—First sheet.

GPR.—30,000—20-3-06.

Serial No.	
	travellers to cross the railway line in order to go to the present building Government sanction is necessary if permission to utilize a piece of land within half a mile ~~radius~~ from the Railway Station is to be granted.
	3 It is not known whether the site selected for the new building is likely to be required by the Railway authorities in the near future and whether a building may be conveniently built thereon
	4 Unless permission to utilize the proposed site is granted it does not seem advisable to order the disposal of the existing site.

Enclosure No. 1/file V. P.

Soliciting sanction for the
disposal of the old musafir-
khana at Davangere and
the construction of a new one
in its stead.

outlay of Rs 300/-. When an estimate was submitted by the Taluk office for repairs of the said building again the year, it was remarked thereon by Mr. Cha Sub-division officer, that to lay out any more money on its repairs would be useless. I inspected the building in company with Sub division officer, Vice President and some of the leading men of the place and found it to be in the state in which it was represented to be. Thereupon, the question was referred for the opinion of the Executive Engineer Chitaldrug division, who has also fallen in with my views. Moreover, the Taluk Board in their meeting held on 30-5-07 recorded a resolution to the effect that in the present condition of the building any more money spent on its repairs would be a waste of public funds, and at the same time proposed that the building together with the site on which it stands might be disposed of by public auction and that from the sale proceeds thereof, a new building of the type design be constructed on a separate suitable site selected for the purpose. The matter being one of importance, it

was

was brought forward for discussion before the District Board which met on 28th August 07 and Copy of the resolution recorded thereat is submitted herewith for kind perusal of Government. It will thus be seen that there is a consensus of opinion in regard to the disposal of the present building by sale and the Construction of a new one out of the sale proceeds of the former supplemented if necessary, by District funds. Considering the importance of the place and its situation close to the Railway station, it is expected that a sum between Rs 3,000 and Rs 4,000 would be realized by the sale. Should the proposal of the Board meet with the approval of Government, I shall submit an estimate with the approval of the Board for the Construction of a 1st Class Musafirkhana for sanction. The site selected for the new Musafirkhana is just opposite to the present one, on a piece of land near the Railway station. The present building is very inconveniently situated as the travellers will have to cross the Railway line

to

to go to the Musafirkhana near the Railway Station.

I have the honor to be,
Sir
Your most obedient servant

President.

Sir,

Adverting to correspondence ending with your No. 9693 of 26th March 1908, calling for a sketch showing the position of the existing Musafarkhana, the Railway Station and the Site selected for the proposed building of new Musafarkhana at Davangere etc, and a report as to whether there is any likelihood of the site being

being required by the Railway authorities in near future, I have the honor to submit herewith the Sketch called for, together with a copy of reply received from the Chief Engineer, Madras and Southern Mahratta Railway, for kind perusal. From this it will be seen, that the Site in question is not required by the Railway authorities, and further the Vacant site chosen belongs to the municipality.

22. Read. Correspondence ending with Chitaldrug Executive Engineer's docket No. 442 dated the 4th July 1907, stating that the present Musafir-khana building at Davangere is in a very dilapidated condition and requires not less than Rs 200 to Rs 300 almost every year for its repairs, and suggesting that a new building may be constructed in its place.

Resolution — The building is very old and an expenditure of about Rs 300/- is reported to have been incurred almost every year on its repairs. The Sub-Division Officer, Mr. Chandy, proposed that the present building with the site be disposed of by public auction and a new building of a standard design constructed instead in another suitable site. The Executive Engineer has agreed with this proposal. It is expected that a sum of Rs 3,000 or more may be realized from its sale. The cost of Constructing a first class Musafirkhana will come up to Rs 4,000. Resolved that the proposal of the Sub-Division Assistant Commissioner be approved and that a new building of the type design be constructed in its place
